

I'm Back

Dope

Bush: "Trusting in the sanity and restraint of the United States is not an option." I'm back to put
it in motion

I'm back to tell you no lies
Sit back and sip on this notion
I'm back to put it in drive
I'm back watch out I'm back
What ya gonna do
I'm back to cause a commotion
I'm back to demoralize
Sit back and feel the emotion
I'm back to keep it alive
I'm back watch out I'm back
What ya gonna do
When the sound goes boom
What ya gonna do
Make a make a move
Motherfucker
When the sound goes boom
Watch out I'm back I'm back to put it in motion
I'm back to reemphasize
Get back don't need your promotion
I'm back to keep it alive
I'm back watch out I'm back
What ya gonna do
I'm back because of devotion
I'm back to capitalize
Sit back and feel the explosion
I'm back to put it in drive
I'm back watch out I'm back
What ya gonna do
What ya gonna do
When the sound goes boom
What ya gonna do
Make a make a move
Motherfucker
When the sound goes boom
Watch out I'm back I'm back to put it in motion
I'm back to tell you no lies
Sit back and feel the emotion
I'm back to keep it alive
I'm back watch out I'm back
