

Happy Valentine's Day

OutKast

My name is Cupid Valentino
The modern day cupid
And I just want to say one thing Happy Valentine's Day
Every day the 14th
I don't think ya'll heard me
I just wanna say Happy Valentine's Day
Every day the 14th
Can ya'll dig that? Now when arrows don't penetrate
See cupid grabs the pistol
Now look here
He shoots straight for your heart
Now and he won't miss you
But that's alright
Ya'll won't believe in me anyway but
Ya won't believe in me
But you would fancy
Leprechauns or ground hogs
No thank you Easter Bunny
There's all this talk about Santa Claus
But see love will rule supreme Happy Valentine's Day
Every day the 14th
You got it
When cupid knocks at your door
You can't ignore me
There's no need to run So Happy Valentine's Day
Every day the 14th
Now I may have it all wrong, you see
If you know what love means, well
Somebody tell me
'Cuz, they just don't believe in me
Ya won't believe in me
But you would fancy
Leprechauns or ground hogs
No thank you Easter Bunny
There's so much fuss about Santa Claus
But see cupid will not be defeated Happy Valentine's day
Every day the 14th
Now I know your hearts have grown cold
And that bothers me, now I understand
'Cause I used to be a bad boy in my day
I know your tryin' to protect your lil' feelings
But you can't run away Ya won't believe in me

But you would fancy
Hey don't you suppose to be
Some kind of player or somethin', Bunny
Well keep on running player
'Cuz I've got my good shoes on
And I got them tied up tight
So you're gonna find out, tonight Got a sweet lil' darling back in my corner
Below I know I love her but act like I don't want her
Surrounded by the lovely but yet feel like a loner
Could be an organ donor the way I'd give up my heart
But never know because shit I never tell her
Ask me how I'm feeling I'd holla that it's irrel'
I don't get myself caught up in the jello jella
And pudding pops that other opt to call falling in love But for the record have you ever rode a
horse?

Likely you just sent me to Pluto, I said of course
But if you ain't a sweetie indeedy I won't endorse
Han Solo till I'm hit by bullets, obey the force
Bewitch you and I rich you in better time permits
For now show me samples, examples why your the shit
But how am I to know with the profession that I'm in
And if you do not know me then how could you be my friend? Happy Valentine
