

# This I Promise You

\*NSYNC

When the visions around you, bring tears to your eyes  
And all that surrounds you, are secrets and lies  
I'll be your strength, I'll give you hope  
Keeping your faith when it's gone  
The one you should call, was standing here all along  
And I will take, you in my arms, and hold you right where you belong  
Till the day my life is through, this I promise you  
This I promise you've loved you forever, in lifetimes before  
And I promise you never, will you hurt anymore  
I give you my word, I give you my heart (I give you my heart)  
This is a battle we've won  
And with this vow forever has now begun  
Just close your eyes, each loving day  
And know this feeling won't go away, no  
Till the day my life is through, this I promise you  
This I promise you  
Over and over I fall, (over and over I fall), when I hear you call  
Without you in my life baby I just wouldn't be living at all  
And I will take, (I will take you in my arms), you in my arms  
And hold you right where you belong (right where you belong)  
Till the day my life is through, this I promise you babe  
Just close your eyes, each loving day (each loving day)  
And know this feeling won't go away, (no)  
Every word I say is true, this I promise you  
Every word I say is true, this I promise you  
Ooh I promise you
