

# The Package

## A Perfect Circle

Clever got me this far  
Then tricky got me in  
Eye on what i'm after  
I don't need another friend  
Smile and drop the cliché  
'Till you think I'm listening  
Take just what I came for  
Then I'm out the door again  
Peripheral on the package  
Don't care to settle in  
Time to feed the monster  
I don't need another friend  
Comfort is a mystery  
Crawling out of my own skin  
Just give me what I came for  
Then I'm out the door again  
Lie to get what I came for  
Lie to get just what I need  
Lie to get what I crave  
Lie and smile to get what's mine  
Eye on what i'm after  
I don't need another friend  
Nod and watch your lips move  
If you need me to pretend  
Because clever got me this far  
Then tricky got me in  
I'll take just what I came for  
Then I'm out the door again  
Lie to get what I came for  
Lie to get what I need now  
Lie to get what I'm craving  
Lie and smile to get what's mine  
Give this to me  
Mine, mine, mine  
Take what's mine  
Mine, mine, mine  
Take what's mine  
Mine, mine, mine  
Lie to get what I came for  
Lie to get what I need now  
Lie to get what I'm crave  
Lie to smile and get what's mine  
Give this to me  
Take what's mine  
Mine, mine, mine  
Take what's mine  
Give this to me

Take what's mine

Take what's mine

Mine

Take what's mine, take what's mine, take what's mine

This is mine, mine, mine
