

The Dream

Roko

I have a dream
A dream as beautiful as it is extreme
I know it's not as crazy as it may seem
So I don't ever wanna give up on this dream
Open your heart
And you'll arrive at where the dream has to start
To pull a world together out of the part
And turn this war into a hopeful work of art
We have lived the darkest night
Waiting for the day
Now the time for us is right
To arise and say
I dream of love
You dream of love
Angels of god
We all dream of love
I dream of love
You dream of love
Angels of god
We all dream of love
Svijetu nisi dužan ti
Ništa donijeti
Jedino si ?ovjek kad
Možeš voljeti
Kao heroj, Kao heroj
I moj i tvoj
Ljubav je heroj
Kao heroj, Kao heroj
I moj i tvoj
Ljubav je heroj
