

# The Closer I Get to You (with Beyoncé)

Luther Vandross

The closer I get to you  
The more you make me see  
By giving me all you've got  
Your love has captured me  
Over and over again  
I try to tell myself that we  
Could never be more than friends  
And all the while inside  
I knew it was real  
The way you make me feel  
Lying here next to you  
Time just seems to fly  
Needing you more and more  
Let's give love a try  
Sweeter than sweeter love grows  
And heaven's there for those  
Who fool the tricks of time  
With hearts in love will find  
True love  
In a special way  
The closer I get to you  
The more you make me see  
By giving me what you've got  
Your love has captured me  
Over and over again  
I try to tell myself that we  
Could never be more than friends  
And all the while inside  
I knew this was real (got to be real)  
The way you make me feel (you know)  
My baby, my baby, my baby, my love  
Come a little closer so we can see into the eyes of love  
Just a little a closer let me speak to you  
I wanna tell you something  
Here I am-- I just want you to come closer  
Come a little closer let me whisper in your ear  
'Cause I wanna tell you something  
Move a little a little closer we can say for real  
The way we feel about each other's lovin'
