

Better Than I Know Myself

Adam Lambert

Cold as ice
And more bitter than a December
Winter night
That's how I treated you And I know that I
I sometimes tend to lose my temper
And I cross the line
Yeah, that's the truth I know it gets hard sometimes
But I could never
Leave your side
No matter what I say 'Cause if I wanted to go, I would have gone by now
But I really need you near me to
Keep my mind off the edge
If I wanted to leave, I would have left by now
But you're the only one that knows me
Better than I know myself All along
I tried to pretend it didn't matter
If I was alone
But deep down I know If you were gone
For even a day, I wouldn't know which way to turn
'Cause I'm lost without you I know it gets hard sometimes
But I could never
Leave your side
No matter what I say 'Cause if I wanted to go, I would have gone by now
But I really need you near me to
Keep my mind off the edge
If I wanted to leave, I would have left by now
But you're the only one that knows me
Better than I know myself I get kind of dark
Let it go too far
I can be obnoxious at times
But try and see my heart 'Cause I need you now
So don't let me down
You're the only thing in this world I would die without 'Cause if I wanted to go, I would have
gone by now
But I really need you near me to
Keep my mind off the edge If I wanted to leave, I would have left by now
But you're the only one that knows me
Better than I know myself 'Cause if I wanted to go, I would have gone by now
But I really need you near me to
Keep my mind off the edge If I wanted to leave, I would have left by now
But you're the only one that knows me
Better than I know myself
