Better Than I Know Myself

Adam Lambert

Cold as ice And more bitter than a December Winter night That's how I treated youAnd I know that I I sometimes tend to lose my temper And I cross the line Yeah, that's the truthI know it gets hard sometimes But I could never Leave your side No matter what I say'Cause if I wanted to go, I would have gone by now But I really need you near me to Keep my mind off the edge If I wanted to leave, I would have left by now But you're the only one that knows me Better than I know myselfAll along I tried to pretend it didn't matter If I was alone But deep down I knowlf you were gone For even a day, I wouldn't know which way to turn 'Cause I'm lost without youI know it gets hard sometimes But I could never Leave your side No matter what I say'Cause if I wanted to go, I would have gone by now But I really need you near me to Keep my mind off the edge If I wanted to leave, I would have left by now But you're the only one that knows me Better than I know myselfI get kind of dark Let it go too far I can be obnoxious at times But try and see my heart'Cause I need you now So don't let me down You're the only thing in this world I would die without'Cause if I wanted to go, I would have gone by now But I really need you near me to Keep my mind off the edgeIf I wanted to leave, I would have left by now But you're the only one that knows me Better than I know myself'Cause if I wanted to go, I would have gone by now But I really need you near me to Keep my mind off the edgeIf I wanted to leave, I would have left by now But you're the only one that knows me Better than I know myself
