

# Apocalypse Dreams

## Tame Impala

This could be the day that we push through  
It could be the day that all our dreams come true  
For me and you  
'Till we're at the end of just another day  
Are you too terrified to try your best?  
Just to end up with an educated guess  
Like success  
Like those times you wake up mystified  
Oh, it feels so real in my sleep  
Never felt something so close I couldn't keep  
Into the day the strangest feeling  
Do you really live without the fear that  
Everything is changing?  
And there's nothing I can do  
My world is turning pages  
While I am just sitting here  
Well, am I getting closer?  
Will I ever get there?  
Does it even matter?  
Do I really need it?  
Wish that I'd remember  
And I'm on the outcome  
(This could be the day that we push through)  
Did I really want it?  
Does it really matter?  
It was only yesterday  
(It could be the day that all our dreams come true)  
Didn't even know you  
Now I'm gonna miss you  
(Oh, it feels so real in my sleep  
Never felt something so close I couldn't...)  
Nothing ever changes  
No matter how long you do your hair  
Looks the same to everyone else  
Everything is changing  
I guess I should warn my mom  
But she'll just be excited
