Magnificent

Oh, oh, magnificent I was born, I was born to be with you

In this space and time

After that and ever after

I haven't had a clue

Only to break rhyme

This foolishness can leave a heart black and blue, oh, oh Only love, only love can leave such a mark

But only love, only love can heal such a scar I was born, I was born to sing for you

I didn't have a choice but to lift you up

And sing whatever song you wanted me to

I give you back my voice from the womb

My first cry, it was a joyful noise, oh, oh Only love, only love can leave such a mark

But only love, only love can heal such a scar

Justified till we die, you and I will magnify, oh, oh

Magnificent, magnificent, oh

Only love, only love can leave such a mark

But only love, only love unites our hearts

Justified till we die, you and I will magnify, oh, oh

Magnificent, magnificent, magnificent
