Dance In the Dark

Lady Gaga

Make it stop!
Silicon, saline, poison, inject me
Baby, I'm a free bitch

I'm a free bitchSome girls won't dance to the beat of the track She won't walk away, but she won't look back

She looks good, but her boyfriend says she's a messShe's a mess, she's a mess

Now the girl is stressed

She's a mess, she's a mess

She's a mess, she's a mess

(Tell 'em, girls)Baby loves to dance in the dark

'Cause when he's looking, she falls apart

Baby loves to dance in the dark

Baby loves to dance in the dark

'Cause when he's looking, she falls apart

Baby loves to dance, loves to dance in the dark

(Saline)Run, run, her kiss is a vampire grin

The moon lights her way while she's howling at him

She looks good, but her boyfriend says she's a trampShe's a tramp, she's a vamp

But she still does her dance

She's a tramp, she's a vamp

But she still kills the dance

(Tell 'em, girls)Baby loves to dance in the dark

'Cause when he's looking, she falls apart

Baby loves to dance in the darkBaby loves to dance in the dark

'Cause when he's looking, she falls apart

Baby loves to dance, loves to dance in the dark

In the dark

She loves to dance in the dark

In the dark

She loves, she loves to dance in the darkMarilyn, Judy, Sylvia Tell 'em how you feel, girlsWork your blonde Benét Ramsey

We'll haunt like Liberace

Find your freedom in the music

Find your Jesus, find your KubrickYou will never fall apart

Diana, you're still in our hearts

Never let you fall apart

Together we'll dance in the darkBaby loves to dance in the dark

'Cause when he's looking, she falls apart

Baby loves to dance in the dark

Baby, yeahBaby loves to dance in the dark

'Cause when he's looking, she falls apart

Baby loves to dance, loves to dance in the dark
