

# Levitating

## Dua Lipa

If you wanna run away with me  
I know a galaxy and I can take you for a ride  
I had a premonition that we fell into a rhythm Where the music don't stop for life  
Glitter in the sky, glitter in my eyes  
Shining just the way I like  
If you feel like you need a little bit of company  
You met me at the perfect time You want me, I want you, baby  
My sugarboo, I'm levitating  
The milky way, we're renegading  
(Yeah, yeah, yeah, yeah, yeah)  
I got you, moonlight, you're my starlight  
I need you, all night  
Come on, dance with me  
(I'm levitating)  
You, moonlight, you're my starlight  
I need you, all night  
Come on, dance with me  
(I'm levitating) I believe that you're for me, I feel it in our energy  
I see us written in the stars  
We can go wherever, so let's do it now or never  
Baby, nothing's ever, ever too far Glitter in the sky, glitter in our eyes  
Shining just the way we are  
I feel like we're forever, every time we get together  
But whatever, let's get lost on mars  
You want me, I want you, baby  
My sugarboo, I'm levitating  
The milky way, we're renegading  
(Yeah, yeah, yeah, yeah, yeah) I got you, moonlight, you're my starlight  
I need you, all night  
Come on, dance with me  
(I'm levitating)  
You, moonlight, you're my starlight  
I need you, all night  
Come on, dance with me  
(I'm levitating) You can fly away with me tonight  
You can fly away with me tonight  
Baby, let me take you for a ride  
(Yeah, yeah, yeah, yeah, yeah)  
(I'm levitating)  
You can fly away with me tonight  
You can fly away with me tonight  
Baby, let me take you for a ride

(Yeah, yeah, yeah, yeah, yeah) My love is like a rocket, watch it blast off  
And I'm feeling so electric, dance my ass off  
And even if I wanted to, I can't stop  
(Yeah, yeah, yeah, yeah, yeah)  
My love is like a rocket, watch it blast off  
And I'm feeling so electric, dance my ass off  
And even if I wanted to, I can't stop  
(Yeah, yeah, yeah, yeah, yeah) You want me, I want you, baby  
My sugarboo, I'm levitating  
The milky way, we're renegading I got you, moonlight, you're my starlight  
I need you, all night  
Come on, dance with me  
(I'm levitating) You can fly away with me tonight  
You can fly away with me tonight  
Baby, let me take you for a ride  
(Yeah, yeah, yeah, yeah, yeah)  
(I'm levitating)  
You can fly away with me tonight  
You can fly away with me tonight  
Baby, let me take you for a ride  
(Yeah, yeah, yeah, yeah, yeah) I got you, moonlight, you're my starlight  
I need you, all night  
Come on, dance with me  
(I'm levitating)  
You, moonlight, you're my starlight  
I need you, all night  
Come on, dance with me  
(I'm levitating)
