## **Average Fruit**

## Quadron

down

at the counter in his working suit
he looked no more than the average fruit
not so many ways to get the cluesplaying
in a kindergarten during the day
filling empty bodies with toy clay
umi says you can surely tell by the shoesit's something that your heartbeats for
take me to your love
heartbeats

artbe the

oldest living member of his gang
fond of happy endings and the sound of a bang
not so many ways to get the clueshe had
a five o clock shadow and mos def shoes
acting like a showboat enough to light my fuse
umi says you can surely tell by their shoes
it's something that your heartbeats for
take me to your love
heartbeatsi like your heart
