

Wiped Out

OFF!

In my ...
What up, knock it down!
I'm wiped out, I'm wiped out
But I have. negativity!
....turn it ugly, repeat it...
I'm wiped out, I'm wiped out
I'm wiped out, I'm wiped out
in my head, or it gets in my ears
I should go into my chest
Blow up all my fears!
I'm wiped out, I'm wiped out
