

# I Learned from You

## Miley Cyrus & Billy Ray Cyrus

Ooooo

Yeah

I didn't wanna listen to what you were sayin'  
I thought that I knew all I need to know I didn't realize that somewhere inside me  
I knew you were right but I couldn't say so  
I can take care of myself, yeah, you taught me well  
I Learned From You that I do not crumble I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson, that I Learned From You  
We always don't agree on  
What is the best way  
To get to the place that we're going from here  
But I can really trust you, and give you the distance  
to make your decisions without any fear I'm grateful for all of the times  
You opened my eyes  
I Learned From You that I do not crumble  
I learned that strength is something you choose All of the reasons to keep on believin'  
There's no question, that's a lesson  
I Learned From You  
You taught me to stand on my own and I thank you for that  
You saved me, you made me  
and now that I'm looking back  
I can say  
woooaaahhhh!  
Hmmmm... Hmmmm... Yeah!  
I Learned From You that  
I Learned From You  
I do not crumble  
I learned that strength is something you choose  
something you choose  
All of the reasons to keep on believin'  
keep on believin'  
There's no question, that's a lesson that I Learned From You  
Wooaaahhhh!  
I learned from yoooouuu  
I learned that strength is something you choose  
something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson that I Learned From You  
yeah!  
I Learned From You
