

I Shake, I Move

LMFAO

EHHEHHHHHHHHHHHHHHH! I shake, I move the shake the girl gets hot,
I shake I move and the girl gets hot
I shake I move and the girl gets hot
I shake I move I shake I move and girl gets hot Walk-in the club, with that attitude,
that I'm in love, I'm in love with you
I'm on the floor and I bust my moves,
you getting horny can I control you
No the girl and girl give me your bootay,
let me slap it, like I was your daddy
She, she wants me badly cuzz I'm more than god I shake I move I shake I move and then the girl

I shake I move the shake the girl gets hot
I shake I move and the girl gets hot
I shake I move and the girl gets hot
I shake I move I shake I move and girl gets hot Okay, lets play a game to see who can do it,
move like a maniac main off the fluid
Add it to Lucy this ain't a scene
it's a dance floor baby it's a dance floor
Put them on the dance floor light it up like a candle (What)

afraid to act like a fool like a mother***** kid I shake, I move the shake the girl gets hot,
