

You're In Love

Wilson Phillips

YOU'RE IN LOVE

Open the door and come in,
I'm so glad to see you my friend,
I don't know how long it's been
Havin' these feelings again
And now I see that you're so happy, and oohhh
It just sets me free and
I like to see us as good friends as we used to be

My love,

Chorus

You're in love

That's the way it should be

'Cause I want you to be happy

You're in love

And I know

That you're not in love with me, oohhh

It's enough for me to know that you're in love

Now I let you go

'Cause I know that you're in love Sometimes it's hard to believe

That you're never coming back for me

I had this dream that you'd always be by my side

Ooh, I could've died

But now I see that you're so happy (see that you're so happy)

Ooohh, It just sets me free and

I'd like to see us as good friends as we used to be

My love

Chorus

You're in love

That's the way it should be

'Cause I want you to be happy

You're in love

And I know

That you're not in love with me, oohh

It's enough for me to know that you're in love

I can let you go

'Cause I know that you are in love I tried to find you

But you were so far away

I was praying that fate would bring you back to me

Someday (someday), someday (someday)

woohhh, you're in love oohh It's enough for me to know that you're in love,

ooh, now I'll let you go

'Cause I know that you 're in loveno no no no no ooh
