

# End Love (Subtractive Remix)

## OK Go

Oh sugar, oh sugar can't you see  
How hard I'm trying?  
You know you gotta, you know you gotta eventually  
Make up your mind  
'Cause no one's gonna find you  
When you're hiding in the dark  
No one's gonna find you  
When you're hiding in the dark  
No one's gonna find you  
When you're hiding in the dark  
No one's gonna find you  
When you're hiding in the dark  
So won't you, so won't you talk to me?  
It's time to decide  
'Cause no one's gonna save you  
If you don't swim for the boat  
No one's gonna save you  
If you won't take the rope  
No one's gonna find you  
When you're hiding in the dark  
No one's gonna find you  
And it's end love, the sky is falling  
End love, the sky is falling  
The sky is falling  
So sugar, so sugar dance with me  
This one last time  
We got no reason, we got no reason I can see  
To hold back tonight  
'Cause no one's gonna catch you  
If you can't just let go  
No one's gonna love you  
If you can't let love show  
No one's gonna find you  
When you're hiding in the dark  
No one's gonna find you  
And it's end love, the sky is falling  
End love, the sky is falling  
The sky is falling  
Oh sugar, oh sugar can't you see  
how hard I'm trying?  
You know you gotta, you know you gotta eventually  
Make up your mind (You gotta make up your mind)  
And it's end love, the sky is falling

End love, the sky is falling

The sky is falling

End love, the sky is falling

End love, the sky is falling

End love, the sky is, the sky is falling

End love, the sky is, the sky is falling
