

Footprints

Sia

I've fallen through the floor again, crashed into the basement
Your pain was swallowing me
I was like a leper when I couldn't even get up towards, turn the lights from
The door was swallowing me Lord knows you can't trust your head
When you're standing on the edge
I'm breaking down
Lord knows you can't trust your head
When you're hanging by a thread
I was breaking down and I saw Only two footprints in the sand
Thought you'd abandoned me and
Let go of my hand
But you were carrying me
Carrying me to safety
Two footprints, your footprints in the sand
Two footprints, two footprints, your footprints in the sand
Two footprints, your footprints in the sand Oh, what if I had got the things I knew it was I
Who would have been done with you
Forgive me, I was lost and found
Who would never've left my side, pick me up when I thought that
I would die you helped me and I was fine Lord knows you can't trust your head
When you're standing on the edge
I'm breaking down
Lord knows you can't trust your head
When you're hanging by a thread
And breaking down
Only two footprints in the sand
Thought you'd abandoned me and
Let go of my hand
But you were carrying me
Carrying me to safety Two footprints, your footprints in the sand Only two footprints in the sand
Thought you'd abandoned me and
Let go of my hand
But you were carrying me
Carrying me to safety Two footprints, your footprints in the sand
Two footprints, two footprints, your footprints in the sand
Two footprints, your footprints in the sand
