

Don't Know Nothing

Maroon 5

Ooh
OohLiving inside my head
Pulling my strings
Letting me think I'm in controlGiving you all of my heart
Was a good start
But it turns out you want my soulI don't know nothing about that
In fact I don't know nothing at all
I'm tired of proving you right
By doing everything so wrong
So tell me what you really want
Cause I don't want to be
I don't want to be alone
Ooh
OohPushing me over the edge
Can't forget those things you said
Cut to the boneGo ahead, take your swing
What did you think?
I was just going to roll over? Oh noI don't know nothing about that
In fact I don't know nothing at all
I'm tired of proving you right
By doing everything so wrong
Got to tell me what you really want
Cause I don't want to be
Oh, I don't want to be aloneOoh
Ooh
I don't want to be
I've put myself on the line
I'm tired of wasting my time
There's got to be a reason why
She will not talk to me, no ohI don't know nothing about that
In fact I don't know nothing at all
So tired of proving you right
By doing everything so wrongI don't know nothing about that
In fact I don't know nothing at all
So tired of proving you right
By doing everything so wrongTell me what you really want
I don't want to be
I don't want to be aloneOoh
Ooh
