

He's the One I Love

Mary Wells

Hey girls, you see these boys over there? Well, one of them is mine
He may not be the one
who's handsome & tall, but

He's the one I love

Let me tell you now, his looks don't matter at all 'cause

He's the one I love

Now you may like the handsomest boy in the lot
& that's all right, but I'll keep the one I've got 'cause

He's the one I love

Let me tell ya, he's the one I love

He may not be the one with the fancy clothes, but...

He's the one I love

He dresses all right, so goodness knows now...

He's the one I love

Now you may like a guy who dresses hot
and that's all right, but I'll keep the one I've got 'cause

He's the one I love

Let me tell ya, he's the one I love

Now many a guy may give me the eye

Can offer me more than he

But if they offer the world

I'll still be his girl

& with him I'm gonna be,

Well now oooo oh yeah

He may not be the guy who talks a lot of stuff, but

He's the one I love

He tells me that he loves me & that's enough 'cause

He's the one I love

Now you may like a guy who talks a lot
& that's all right, but I'll keep the one I've got because

He's the one I love

Let me tell ya, he's the one I Love
