All the Love In the World

Nine Inch Nails

I'm not looking for someone to talk to I've got my friend, I'm more than O.K. I've got more than a girl could wish for I live my dreams but it's not all they say Still I believe (I'm missing) I'm missing something real I need someone who really sees me...(Don't wanna wake...) Don't wanna wake up alone anymore Still believing you'll walk through my door All I need is to know it's for sure Then I'll give... all the love in the world I've often wondered if love's an illusion Just to get you through the loneliest days I can't criticize it I have no hesitation My imagination just stole me away (Still...) Still I believe (I'm missing) I'm missing something real I need someone who really sees me...(Don't wanna wake...) Don't wanna wake up alone anymore Still believing you'll walk through my door All I need is to know it's for sure Then I'll give... all the love in the worldLove's for a lifetime not for a moment So how could I throw it away Yeah I'm only human And nights grow colder With no-one to love me that way Yeah I need someone who really sees me... (Don't wanna wake...) And i won't wake up alone anymore Still believing you'll walk through my door You'll reach for me and I'll know it's for sure Then I'll give all the love in the world (Don't wanna wake up alone anymore...)
