

Boomerang

Imagine Dragons

[Verse 1]

How many lies do we have to tell?
To keep on saying, that I wish you well?
How many times said I'm movin' on?
How many times that false alarm goes on? (Goes on)
Goes on? (Goes on)

I know I'll see you tomorrow [Chorus]
'Cause I'm bad at lettin' you go, lettin' you go
Lettin' you go, lettin' you go
Moving on, moving on, moving on, moving on
I'm ready to go, ready to go
I'm ready to throw, ready to throw
You're my boomerang, boomerang
You're my boomerang, boomerang

[Verse 2]

How many tears do we have to cry?
How many sleepless, lonely nights?
To work it up, is it worth enough?
Should we go ahead?
Or should we turn around?
I know I'll see you tomorrow [Chorus]
'Cause I'm bad at lettin' you go, lettin' you go
Lettin' you go, lettin' you go
Moving on, moving on, moving on, moving on
I'm ready to go, ready to go
I'm ready to throw, ready to throw
You're my boomerang, boomerang
You're my boomerang, boomerang

[Bridge]

Just because it isn't easy doesn't mean that it is wrong
Everything that we've been working on, working on so long

Ooh, ooh, ooh [Outro]

You're my boomerang, boomerang (Ooh)
You're my boomerang, boomerang
You're my boomerang, boomerang
You're my booma-booma-booma-rang-rang
Lettin' you go, lettin' you go (Booma-rang-rang)
Lettin' you go, lettin' you go (Booma-rang-rang)
Moving on, moving on (Booma-rang-rang)
Moving on, moving on (Booma-rang-rang)
Ready to go, ready to go (Booma-rang-rang)
I'm ready to throw, ready to throw

You're my boomerang, boomerang
You're my boomerang, boomerang
Lettin' you go, lettin' you go (Booma-rang-rang)
Lettin' you go, lettin' you go (Booma-rang-rang)
Moving on, moving on (Booma-rang-rang)
Moving on, moving on (Booma-rang-rang)
Ready to go, ready to go (Booma-rang-rang)
I'm ready to throw, ready to throw
You're my boomerang, boomerang
You're my boomerang, boomerang
