Love Alone Is Worth the Fight

Switchfoot

I'm trying to find where my place is I'm looking for my own oasis

So close I can taste this

The fear that love alone erasesSo I'm back to the basics

I figure it's time I face this

Time to take my own adviceLove alone is worth the fight Love alone is worth the fightAnd I never thought it'd come to this

But it seems like I'm finally feeling numb to this

The funny thing about a name is

You forget what the reason you were playing the game isAnd it's all an illusion

A 21st century institution

So I'm headed down the open road unknown

And we find what we're made of

Through the open door

Is it fear you're afraid of?

What are you waiting for?Love alone is worth the fight

Love alone is worth the fightWe're only here for a season

I'm looking for the rhyme and reason

Why you're born, why you're leaving

What you fear and what you believe in Why you're living and breathing

Why you're fighting it and getting it even

Let's go headed down the open road unknownAnd we find what we're made of

Through the open door

Is it fear you're afraid of?

What are you waiting for?

Love alone is worth the fight

Love alone is worth the fight Yeah, yeah, yeah

Oh! Oh!

Here we are, here we go

Where the road is our own

Hear it calling you home

Here we are, here we go!

Love alone is worth the fight
