H-Money
Baby, baby, yeah There's a meeting in my bed, oh
In my bed, oh
There's a meeting in my bed, oh
In my bed, oh
There's a meeting in my bed, oh
My bed, oh
There's a meeting in my bed, oh
In my bed, oh
Yeah, hol' up, uh
In it for two, that's me and you, that's very simple
Then I removed, okay we through but I ain't finished yet
Can I slide with you? (Yeah)
Spend the night with you? (Yeah)
Just let me write with the ink drippin' from my signature (Oh-oh)
I feel like your body inspire my intentions (Yeah)
You left the squad hangin', it's only time with us (Yeah)
You know I vibe different 'cause you know my mind different
Her eyes sayin' my room, her body sayin' Tell me what you want, I got repeat
Tell me what you need, I go deep, deep, yeah
When I fall in love, I go deep, deep
You could cop it all, like it CC, yeah
It look like you need papa
Come get designer and the power (Propper)
Be ready to touch, when I reach it, yeah
Ah go heat it up, ain't no viking, yeah
I make that ting go water
I go make that ting run water
I go make you feel my song There's a meeting in my bed, oh
In my bed, oh
There's a meeting in my bed, oh
In my bed, oh
There's a meeting in my bed, oh
My bed, oh
There's a meeting in my bed, oh
In my bed, oh Oh nah, nah, nah, nah, nah, nah
Meeting in my bed
Oh nah, nah, nah, nah, nah, nah
