

# The One (Single Version)

## Annihilator

You are the one but so far away  
To be with you, there's no other way  
You kiss and you touch so perfectly  
I need to hold you close to me I want you and I need you, like no one else before  
Right here and right now, I can't take this anymore  
I wanna be yours forever, a king for a queen  
But not in a story, not in a dream  
(Yeah yeah yeah yeah yeah) I try to put myself to sleep but I miss the one I love  
(Nana nanana nanana nana nana)  
I miss the one I love  
I think I got myself in deep with an angel from above  
(Nana nanana nanana nana nana)  
You're the one I love I wanna be yours forever, a king for a queen  
But not in a story, not in a dream  
(Yeah yeah yeah yeah yeah)  
I try to put myself to sleep but I miss the one I love  
(Nana nanana nanana nana nana)  
I miss the one I love  
I think I got myself in deep with an angel from above  
(Nana nanana nanana nana nana)  
With an angel from above  
(Nana nanana nanana nana nana)  
You're the one I love  
(Nana nanana nanana nana nana)  
You're the one I love  
(Nana nanana nanana nana nana)  
You're the one I love  
(Nana nanana nanana nana nana)  
You're the one I love  
(Nana nanana nanana nana nana)  
(Nana nanana nanana nana nana)  
(Nana nanana nanana nana nana)
