

Revenga

System Of A Down

Poisoning a drink
Bleeding in a sink
Choking with a link
Killing with a stink
Just your mother's
HoBleeding in a sink
Poisoning a drink
Burning up
My sweet ClementineTrampling a shrink
Bleeding in a sink
Hallelujah, wink
Getting on the brink
Just your mother's
Ho
Hallelujah, wink
Murdering a shrink
Burning upAll my sweet revenge
Will be yours for the taking
It's in the making, babyMy sweet revenge
Will be yours for the taking
It's in the making babyKilling with a stink
Bleeding in a sink
Poisoning a drink
Getting on the brink
Just your mother's
Ho
Bleeding in a sink
Trampling a shrink
Burning up
My sweet ClementinePoisoning a drink
Bleeding in a sink
Choking with a link
Killing with a stink
Just your mother's
HoPoisoning a drink
Bleeding in a sink
Burning upMy sweet revenge
Will be yours for the taking
It's in the making, babyMy sweet revenge
Will be yours for the taking
It's in the making, babyI saw her laugh
Then she said, "Go away"I saw her laugh

Then she said, then she said
"Go away, away"
My sweet revenge
Will be yours for the taking
It's in the making, baby
My sweet revenge
Will be yours it's in the making
It's in the taking, making, baking, taking, faking
Ho, my sweet Clementine
Ho
Shoulda been, coulda been
Woulda been, woulda been you
Shoulda been, coulda been
Woulda been, woulda been you
