

Between Us (feat. Mothica) [Delusion Remix]

Elenne

How's it going over there?
I've got some things you wanna hear.
wanna hear.
It's been awhile since we lays space.
I've been trying to forget.
And all that you left me.
I'm not saying sorry.
Calm down, I'm your better storm baby.
Maybe we can keep it a secret?
Keep me a secret.
Will you keep me a secret?
Between us.
Between us.
Between us.
I can't keep a secret.
Between us.
I've got some things you want to.
Keep me a secret.
Maybe we can keep it a secret.
Between, between, between, between, between us.
Between.
Between us, us.
Between us, us.
I can't keep a secret.
Between us.
I got some things you want.
Keep me a secret.
Between us.
