

# Where Have All the Cowboys Gone?

Paula Cole

One two three four Oh you get me ready  
In your '56 Chevy  
Why don't we go sit down in the shade  
Take shelter on my front porch  
The dandelion sun scorching  
Like a glass of cold lemonade I will do the laundry  
If you pay all the bills  
Where is my John Wayne  
Where is my prairie song  
Where is my happy ending  
Where have all the cowboys gone  
Why don't you stay the evening  
Kick back and watch the T.V.  
And I'll fix a little something to eat  
Ohh I know your back hurts  
From working on the tractor  
How do you take your coffee my sweet I will raise the children  
If you pay all the bills  
Where is my John Wayne  
Where is my prairie song  
Where is my happy ending  
Where have all the cowboys gone I am wearing my new dress tonight  
But you don't, but you don't even notice me  
Say our goodbyes  
Say our goodbyes  
Say our goodbyes  
We finally sell the Chevy  
When we had another baby  
And you took that job in Tennessee  
You made friends at the farm  
And you join them at the bar  
Almost every single day of the week I will wash the dishes  
While you go have a beer  
Where is my John Wayne  
Where is my prairie song  
Where is my happy ending  
Where have all the cowboys gone  
Where is my Marlboro Man  
Where is his shiny gun  
Where is my lonely ranger  
Where have all the cowboys gone Where have all the cowboys gone Where have all the cowboys

gone
