

We Belong (2002 Remaster)

Pat Benatar

Many times I've tried to tell you
Many times I've cried alone
Always I'm surprised how well you
Cut my feelings to the bone Don't wanna leave you really
I've invested too much time
To give you up that easy
To the doubts that complicate your mind We belong to the light
We belong to the thunder
We belong to the sound of the words
We've both fallen under Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together
Maybe it's a sign of weakness
When I don't know what to say
Maybe I just wouldn't know
What to do with my strength anyway Have we become a habit?
Do we distort the facts?
Now, there's no looking forward
Now, there's no turning back
When you say We belong to the light
We belong to the thunder
We belong to the sound of the words
We've both fallen under Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together
Close your eyes and try to sleep now
Close your eyes and try to dream
Clear your mind and do your best
To try and wash the palette clean We can't begin to know it
How much we really care
I hear your voice inside me
I see your face everywhere
Still you say We belong to the light
We belong to the thunder
We belong to the sound of the words
We've both fallen under Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together
We belong to the light

We belong to the thunder
We belong to the sound of the words
We've both fallen under
Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together
We belong
