

Famous

Big Time Rush

Do you want to
Ride in a big limousine
Tell me do you want to
Take a little bite of the fame machine
If you wanna be discovered
And end up on the cover of every star-studded supermarket magazine
You can do it
Stick right to it
It could happen tonight
You wanna be famous (famous)
You wanna be the one who's living the life
You wanna be famous (famous)
You wanna be the one who's taking a free ride
Do you want to
Cut to the front of the line?
Baby, do you need to
See your name in lights just like the Hollywood sign
Come on, we gotta work harder
Fight the fight together
Take it to the top
We've got the winning team
It's your moment
You can own it
It's the American dream
You wanna be famous (famous)
You wanna be the one who's living the life
You wanna be famous (famous)
You wanna be the one who's taking a free ride
All day, all night
The camera's on and it never lies
You're under the spotlight
Twenty-four seven til the end of time
Whoa, oh
You wanna be famous (famous)
Whoa, oh
You wanna be famous
You wanna be famous (famous)
You wanna be the one who's living the life
You wanna be famous (famous)
You wanna be the one who's taking a free ride
You wanna be famous
Your song is on the radio
Hot rotation video
Bright lights, fan mail
Paparazzi on your tail
Tour bus, private jet
Thinking big ain't failed you yet
Just one thing you can't forget
Takes more than just wanting it

Aim high, never rest
Put your passion to the test
Give your all, never less
Famous means that you're the best
