

# Learning to Fly

## Lazy

Into the distance a ribbon of black  
Stretched to the point of no turning back  
A flight of fancy on a windswept field  
Standing alone my senses reeled  
A fatal attraction is holding me fast how  
How can I escape this irresistible grasp?  
Can't keep my eyes from the circling skies  
Tongue tied and twisted just an earth bound misfit, I  
Ice is forming on the tips of my wings  
Unheeded warnings I thought I thought of everything  
No navigator to find my way home  
Unladen, empty and turned to stone  
A soul in tension that's learning to fly  
Condition grounded but determined to try  
Can't keep my eyes from the circling skies  
Tongue-tied and twisted just an earth-bound misfit, I  
Easy on the brakes, take it easy, its gonna roll this time  
Just hand the power gradually, and it  
Above the planet on a wing and a prayer,  
My grubby halo, a vapor trail in the empty air,  
Across the clouds I see my shadow fly  
Out of the corner of my watering eye  
A dream unthreatened by the morning light  
Could blow this soul right through the roof of the night  
There's no sensation to compare with this  
Suspended animation, a state of bliss  
Can't keep my mind from the circling skies  
Tongue-tied and twisted just an earth-bound misfit, I
