

Learning to Fly

Lazy

Into the distance a ribbon of black
Stretched to the point of no turning back
A flight of fancy on a windswept field
Standing alone my senses reeled
A fatal attraction is holding me fast how
How can I escape this irresistible grasp?
Can't keep my eyes from the circling skies
Tongue tied and twisted just an earth bound misfit, I
Ice is forming on the tips of my wings
Unheeded warnings I thought I thought of everything
No navigator to find my way home
Unladen, empty and turned to stone
A soul in tension that's learning to fly
Condition grounded but determined to try
Can't keep my eyes from the circling skies
Tongue-tied and twisted just an earth-bound misfit, I
Easy on the brakes, take it easy, its gonna roll this time
Just hand the power gradually, and it
Above the planet on a wing and a prayer,
My grubby halo, a vapor trail in the empty air,
Across the clouds I see my shadow fly
Out of the corner of my watering eye
A dream unthreatened by the morning light
Could blow this soul right through the roof of the night
There's no sensation to compare with this
Suspended animation, a state of bliss
Can't keep my mind from the circling skies
Tongue-tied and twisted just an earth-bound misfit, I
