

# Gold (feat. Lil Wayne) [Remix]

Kiara

Roof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love meGold up in my, gold up in my teeth  
(Gold up, gold up in my teeth)  
Don't care what you say to me, I'ma bite your feelings out  
(Gold up in my teeth)  
I missed you in the basement  
(Gold up in my teeth)  
But your brother was a good substitute for you  
And if you love me, love me, but you never let me go  
When the roof was on fire, you never let me know  
Say you're sorry honey, but you never really show  
And I could leave the party without ever letting you know  
Without ever letting you knowRoof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me  
Without ever letting you know  
Roof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me  
Without ever letting you know  
Roof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me  
Without ever letting you know  
Roof was fallin', let me, love me, fallin', I just know  
Without ever letting you know  
Gold up in my, gold up in my teeth  
(Gold up, gold up in my teeth)  
Tastes like money when I speak  
(Gold up, gold up in my teeth)  
And I missed you in the basement  
(Yeah, gold up in my teeth)  
Bodies on the pavement  
(Oh, gold up in my teeth)And if you love me, love me, but you never let me go  
When the roof was on fire, you never let me know  
Say you're sorry honey, but you never really show  
And I could leave the party without ever letting you know  
Without ever letting you knowRoof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me  
Without ever letting you know  
Roof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me  
Without ever letting you know

Roof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me  
Without ever letting you know  
Roof was fallin', let me, love me, fallin', I just know  
Without ever letting you know Gold up in my, gold up in my teeth  
(Gold up, gold up in my teeth)  
Taste like money when I speak  
(Gold up, gold up in my teeth)  
And I missed you in the basement  
(Yeah, gold up in my teeth)  
Bodies on the pavement (Oh) And if you love me, love me, but you never let me go  
When the roof was on fire, you never let me know  
Say you're sorry honey, but you never really show  
And I could leave the party without ever letting you know  
Without ever letting you know Roof was fallin', let me, love me, fallin', I just know

Without ever letting you know  
Roof was fallin', let me, love me, fallin', I just know  
Roof was fallin', let me, love me  
Without ever letting you know  
Roof was fallin', let me, love me, fallin', I just know  
Without ever letting you know  
Roof was fallin', let me, love me, fallin', I just know  
Without ever letting you know
