

Change My Mind

One Direction

The end of the night
We should say goodbye
But we carry on
While everyone's gone Never felt like this before
Are we friends or are we more?
As I'm walking towards the door
I'm not sure But baby, if you say, you want me to stay
I'll change my mind
'Cause I don't wanna know, I'm walking away
If you'll be mine Won't go-oh, won't go-oh
So baby, if you say, you want me to stay, stay for the night
I'll change my mind
Lean in when you laugh
We take photographs
There's no music on
But we dance along Never felt like this before
Are we friends or are we more?
As I'm walking towards the door
I'm not sure But baby, if you say, you want me to stay
I'll change my mind
'Cause I don't wanna know, I'm walking away
If you'll be mine Won't go-oh, won't go-oh
So baby, if you say, you want me to stay, stay for the night I'll change my mind
I'll change my mind
But baby, if you say, you want me to stay
I'll change my mind
But baby, if you say, you want me to stay
I'll change my mind
'Cause I don't wanna know, I'm walking away
If you'll be mine Won't go-oh, won't go-oh
So baby, if you say, you want me to stay, stay for the night
I'll change my mind
