Under Siege (Regnum Irae)

Sepultura

The dual substance of Christ

The yearning so human

Of Man to attain God

Has always been a deep

Inscrutable mystery to me

My principle anguish and source

Of all my joys and sorrowsReligious domain is all I see

Suffocate the scum with mediocrity

Lying and changing your fate

Anno domini ends -- misery

From my youth onward

Has been the incessant

Merciless battle between

The spirit and the flesh

And my soul is the arena

Where these two armies

Have clashed and metHoly wars unleashing bloody raids

The sacred earth without a face

Consumed by murderous sinners

Psychotic leader

Insane -- insane -- insane !Living in a dying age

Persecute the human race

Triumph of death in the wasteland

Blood signs your epitaph

Religious domain is all I see

Suffocate the scum with mediocrity

Lying and changing your fate

Anno domini ends -- misery
