

# Nothing Has Been Broken (feat. Tina Malia)

[Bassnectar](#)

Nothing has been  
Nothing has been  
Nothing has been  
Nothing has been  
Nothing has been  
Nothing has been broken  
Nothing has been  
Nothing has been  
Nothing has been broken  
Nothing has been  
Nothing has been  
Nothing has been broken  
Don't change...  
Nothing has been  
Nothing has be further  
Further from the truth  
Further from, further from the truth!  
Further from the truth  
Further from, further from the truth!
