

# Ordinary Day

Vanessa Carlton

Just a day, just an ordinary day  
Just trying to get by  
Just a boy, just an ordinary boy, but  
He was looking to the sky and  
As he asked, if I would come along  
I started to realize  
That everyday he finds, just what he's lookin' for  
Like a shooting star, he shines  
And he said Take my hand  
Live while you can  
Don't you see your dreams lie right  
In the palm of your hand  
And as he spoke, he spoke ordinary words  
Although they did not feel, no  
For I felt what I had not felt before  
And you'd swear those words could heal, and  
As I looked up into those eyes  
His vision borrows mine  
And I know he's no stranger  
For I feel I've held him for all of time, and he said Take my hand  
Live while you can,  
Don't you see your dreams lie right  
In the palm of your hand  
Right in the palm of your hand Please come with me  
Please come with me  
Take my hands  
So time will not flee  
Time will not flee  
Can't you see  
Just a dream, just an ordinary dream  
As I wake in bed  
And the boy, that ordinary boy  
Was it all in my head  
Did he asked, if I would come along  
It all seemed so real  
But as I looked to the door  
I saw that boy, standing there with a deal, and he said Take my hand  
Live while you can  
Don't you see your dreams lie right  
In the palm of your hand  
Right in the palm of your hand  
Right in the palm of your hand Just a day, just an ordinary day

Just tryin' to get by  
Just a boy, just an ordinary boy, but  
He was lookin' to the sky
