

# Let Me Down Easy (feat. Amanda Shires)

## Blackberry Smoke

Let me down easy if you can  
I'm not half as strong as you think I am  
It may seem like I don't care  
Baby that's just my disguise  
Look closer and you'll see  
I'm still a kid behind the eyes  
I'm barely on my feet  
And one more lick would put me down  
Show a little mercy honey  
I'm pleading with you now  
Let me down easy if you can  
I'm not half as strong as you think I am  
I guess I'll try to take it like a man  
Let me down easy when you can  
Maybe I'm the crazy one  
'Cause there ain't no way it's you  
I guess I'll let you go  
'Cause it's the least that I could do  
Hopefully I'll make it  
And I'll be alright in time  
I'll probably go to pieces now  
But darling you'll be fine  
Let me down easy if you can  
I'm not half as strong as you think I am  
I guess I'll try to take it like a man  
Let me down easy when you can  
Some day when we'll older  
We'll look back on this and smile  
I thought I had it handles baby  
I missed it by a mile  
Let me down easy if you can  
I'm not half as strong as you think I am  
I guess I'll try to take it like a man  
Let me down easy when you can
