

# How Soon Is Now (feat. Julie McKnight)

David Guetta, Julie McKnight, Sebastian Ingrosso & Dirty South

I see the light inside you  
Brighter than the skies  
Hold on just let us escape  
And fly away tonight  
We have the world in our side  
When I know together we'll be alright  
When you sleep forever we will go  
We are forever learning  
One step at a time  
As long as the world is turning  
I'll be by your side  
We'll keep the fire burning  
I'll never see you hurt (I'll never see)  
You know I can't explain it  
In a way of words  
We both know that you'll understand  
And you'll see if you take my hand  
And I'll go out of my own way  
For you For you  
I'll go Out of my own way
