

# Good Job

Alicia Keys

You're the engine that makes all things go  
And you're always in disguise, my hero  
I see your light in the dark  
Smile in my face when we all know it's hard  
There's no way to ever pay you back  
Bless your heart, know I love you for that  
Honest and selfless  
I don't know if this helps it, but Good job, you're doin' a good job, a good job  
You're doin' a good job  
Don't get too down  
The world needs you now  
Know that you matter, matter, matter, yeah  
You're doin' a good job, a good job  
You're doin' a good job  
Don't get too down  
The world needs you now  
Know that you matter, matter, matter, yeah  
Six in the morning  
And soon as you walk through that door  
Everyone needs you again  
The world's out of order  
It's not as sound when you're not around  
All day on your feet, hard  
Keep that energy, I know  
When it feel like the end of the road  
You don't let go  
You just press forward You're the engine that makes all things go  
And you're always in disguise, my hero  
I see your light in the dark  
Smile in my face when we all know it's hard  
There's no way to ever pay you back  
Bless your heart, know I love you for that  
Honest and selfless  
I don't know if this helps it, but (Good job)  
Good job, you're doin' a good job, a good job (Good job)  
You're doin' a good job  
Don't get too down  
The world needs you now  
Know that you matter, matter, matter, yeah  
(Yeah, that's a good job)  
You're doin' a good job, a good job (Good job)  
You're doin' a good job

Don't get too down  
The world needs you now  
Know that you matter, matter, matter, yeah The mothers, the fathers, the teachers that reach us  
Strangers to friends that show up in the end  
From the bottom to the top, the listeners that hear us  
This is for you, you make me fearless You're doin' a good job, a good job (Oh)  
You're doin' a good job  
Don't get too down  
The world needs you now  
Know that you matter, matter, matter, yeah
