

# Love Will Tell Us Where to Go

## Bridgit Mendler

I know exactly how you feel  
It doesn't matter what you say  
I see the sun begin to set  
And we've gotta, gotta get away  
I got a patch of open road  
I already miss you with all of my soul  
So before we both get old  
I think we gotta, gotta get away I kept wishing bought the tickets  
Stuck them on my wall  
Let's rip them down  
And leave the town before the cops can call  
And bring us back  
Cover our tracks in the dust  
I think we must  
Take on the world  
Let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go Oh oh oh through a dark night  
Oh oh oh without a sunrise  
Oh oh oh we will be alright  
Love will tell us where to go  
Love will tell us where to go  
Love will tell us where to go The wheels on this train keep turning  
We're flying with the birds  
And the worlds so bright  
It hurts when we're on the getaway  
I'm the Bonnie to your Clyde  
You're the moon and I'm the tide  
I want this for all of my life  
Since the night that we got away  
I kept wishing bought the tickets  
Stuck them on my wall  
Let's rip them down  
And leave the town before the cops can call  
And bring us back  
Cover our tracks in the dust  
I think we must Take on the world  
Let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go Oh oh oh through a dark night

Oh oh oh without a sunrise  
Oh oh oh we will be alright  
Love will tell us where to go  
Love will tell us where to go  
Love will tell us where to go When things get rough  
When we have loved  
We've got enough to tell us where to go  
When we get lost, when love is all  
All that we got  
To tell us where to go  
Then we're alright  
We'll be alright  
Love will tell us where to go  
Then we're alright  
We'll be alright  
Love will tell us where to go  
Take on the world Let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go  
Oh oh oh through a dark night  
Oh oh oh without a sunrise  
Oh oh oh we will be alright  
Love will tell us where to go  
Love will tell us where to go  
Love will tell us where to go
