

# If I'd Been the One

## 38 Special

I've been lost inside, empty space in my heart  
And some things never change, oh  
How it hurts me and how it's tearin' me apart  
And it just goes on and on Can you read my mind  
Take a good look at my face  
Could you take the time  
Just to stand here in my place What if I'd been the one to say goodbye, goodbye  
Could you smile when inside you just wanna cry, look inside  
Can you read my mind? Oh oh  
When I hear your name  
Feel so cold deep inside  
Still it's hard to explain, oh  
What your love meant to me  
They say time will heal the pain  
But it just goes on forever Can you read my mind  
Have you closed the door on love  
Can you be so blind  
Did you think I'd just give up What if I'd been the one to say goodbye, goodbye  
Could you smile when inside you just wanna cry, wanna cry  
What if I'd been the one to say goodbye, goodbye  
Could you smile when it hurts so deep inside  
And it never fades away, Fade away  
Time can't erase the reasons why  
Count my mistakes and the heartaches  
Since you said goodbye() Never fades away, no it don't fade away
