If I'd Been the One

38 Special

I've been lost inside, empty space in my heart And some things never change, oh How it hurts me and how it's tearin' me apart And it just goes on and onCan you read my mind Take a good look at my face Could you take the time Just to stand here in my placeWhat if I'd been the one to say goodbye, goodbye Could you smile when inside you just wanna cry, look inside Can you read my mind? Oh oh When I hear your name Feel so cold deep inside Still it's hard to explain, oh What your love meant to me They say time will heal the pain But it just goes on foreverCan you read my mind Have you closed the door on love Can you be so blind Did you think I'd just give upWhat if I'd been the one to say goodbye, goodbye Could you smile when inside you just wanna cry, wanna cry What if I'd been the one to say goodbye, goodbye Could you smile when it hurts so deep inside And it never fades away, Fade away Time can't erase the reasons why Count my mistakes and the heartaches Since you said goodbye()Never fades away, no it don't fade away Song Discussions is protected by U.S. Patent 9401941.
