

# Dayum, Baby (feat. Sarah Buxton)

## Florida Georgia Line

Hey baby, listen you got me twistin'  
watching you sippin' on that drink  
I saw you smile back and I didn't miss that  
It's on a little later on wink  
And your song comes on, you dance along  
I cant believe how bad you got me like Dayum, baby dayum, baby dayum  
I love standing here watching you breakin' it down, baby down, baby down  
You keep pulling me in when you spinnin' around, baby 'round, baby 'round  
I can see you'll probably be keepin' me up all night,  
yeah but that's alright  
'cause girl you got me like dayum baby, dayum baby, dayum  
yeah you got me like dayum baby, dayum baby, dayum  
Baby you're rockin' you got me locked in  
I know that you're dancing just for me  
If you wanna go then well get to rollin'  
'cause I'd love to sweep you off your feet Like dayum baby, dayum baby, dayum  
I love standing here watching you breakin' it down, baby down, baby down  
You keep pulling me in when you spinnin' around baby, 'round, baby 'round  
I can see you'll probably be keepin' me up all night,  
yeah but that's alright  
'cause girl you got me like dayum baby, dayum baby, dayum  
yeah you got me like dayum baby, dayum baby, dayum Yeah, if you wanna take me home and  
turn it on  
you know I'm there cause girl I swear  
Dayum, baby dayum, baby dayum  
Mmm gon' let your long hair down, baby down, baby down  
We'll be loving til the sun comes back around, baby 'round, baby 'round  
I can see you'll probably be keepin' me up all night,  
yeah but that's alright  
'cause girl you got me like dayum, baby dayum, baby dayum  
yeah you got me like dayum, baby dayum, baby dayum
