

# You'll Be Okay

## A Great Big World

You'll be okay  
You'll be okay  
The sun will rise  
To better days And change will come  
It's on it's way  
Just close your eyes  
And let it rain 'Cause you're never alone  
I will always be there  
You just carry on  
You will understand You'll be okay  
You'll be okay  
Just look inside  
You know the way  
Let it go  
Fly away  
And say goodbye  
To yesterday 'Cause you're never alone  
And I will always be there  
You just carry on  
You will understand And I will be strong  
When love is gone  
I'll carry on... You'll be okay  
You'll be okay  
The sun will rise  
To better days  
You'll be okay  
You'll be okay  
Just close your eyes  
And let it rain When you need it the most  
And all you've got is a prayer  
You must carry on  
You will understand  
You will understand  
You will understand You'll be okay  
You'll be okay  
You'll be okay
