

# I Remember When

## New Kids On the Block

Days are gone but my love  
Lives on in this space and time  
I remember playing the games  
Funny nicknames  
And all the sunny days  
That shine so brightly I keep remembering when  
We started together as friends  
I keep remembering when  
We were together forever  
The promise we made  
Still stays in my head like the melody  
I remember favorite songs  
We heard all night long  
In the candlelight  
Still shines so brightly I keep remembering when  
We started together as friends  
I keep remembering when  
We were together forever I bet you didn't know  
How much I love you  
I bet you didn't know  
Just how much I care  
Little girl whenever I'm around you  
All in love is fair, girl  
I keep remembering when  
We started together as friends  
I keep remembering when  
We were together forever
