

So Like Candy

Paul McCartney & Elvis Costello

So Like Candy Here lies the powder and perfume
The pretty clothes are scattered 'round the room
And it's so like Candy Here lies the lipstick and the face
The colored tablets keep it all in place
And it's so like Candy
So like Candy What did I do
To make her go
Why must she be the one
That I have to love so
So like Candy Here lies a picture of a girl
Her arms are tight around that lucky guy
And it's so like Candy
And in her eyes a certain look
I thought I'd seen the last of long ago
And it's so like Candy
So like Candy What did I do
To make her go
Why must she be the one
That I have to love so I remember the day that picture was taken
We were so happy then
But that's so like Candy She seemed so sweet to me
I was mistaken
Oh no not that again
But that's so like Candy
She just can't face the day
So she turns and melts away
Here lie the records that she scratched
And on the sleeve I find a note attached
And it's so like Candy
"My Darling Dear it's such a waste"
She couldn't say "goodbye", but "I admire your taste"
And it's so like Candy
So like Candy
