

# Cash In My Pocket (feat. Daniel Merriweather)

Wiley

S Boy, your host for the day  
Don't let me waste my money No, I see a new path, I can make half  
Making new money now I got a new laugh (ha)  
Music is playing me well, so I ain't gonna be the one to find a new craft  
I'm alright, if it ain't for you find a new path  
If you can't hack it, better find a new class  
Triple Akon gotta find a new pass  
Drive me not to do when i'm buying new cars All I really want is money in my pocket  
Cash in my hand yo  
Skrilla in my Wallet  
All I really want is money in my pocket  
Cash in my hand ye  
Skrilla in my wallet  
A dog gets one he puts away half  
So when I get one I'm gonna put away half  
I make money slow I make money fast  
Then back to the hood so I can have the last laugh  
Still laughing cuz I know I'm not a half  
When we release we don't wanna half chart  
The IQ is high some of them are half smart  
But I do it like Ronson hard days craft All I really want is money in my pocket  
Cash in my hand yo  
Skrilla in my Wallet  
All I really want is money in my pocket  
Cash in my hand ye  
Skrilla in my wallet (ye ye ye)  
Skrilla in my wallet (ye ye ye)  
Skrilla in my wallet (ye ye ye)  
All I want is that cheese I'm tryna get that cheddar  
Cuz money make the world go round  
All I need is that bread with a little bit of a butter  
Cuz I really need those pounds  
So I counted it once and I put some in my pocket  
And counted it twice then I make sure not to drop it yeah  
I got a London attitude don't care  
I don't hear in my head by so many years in family crying out so many tears no way I'm gonna  
be broke yeah  
Got money for the next year, next year, next year, next year and the year after  
Rides a marter like Shaun Carter and the Wayne Carter  
But next year I'm gonna step up a gear and go harder  
You know me I'm a master I cause disaster, I cause disaster  
Anywhere on earth find money like anywhere I surf

Plus anywhere I lurk the ropes have earned the right to choose any stage anywhere I murk  
anywhere I am alert  
Wanna make a decision, like being back in school doing revision. All I really want is money in  
my pocket  
Cash in my hand yo  
Skrilla in my Wallet  
All I really want is money in my pocket  
Cash in my hand ye  
Skrilla in my wallet
