

U Don't Know Me (Like U Used To)

Brandy

How could you lie to me
After all that we've been through
Its just so sad to see me in love with you
I gave you all of me
but it still wasnt enough for you
is this how loves suppose to be
now i'm trying to get over you(chorous)
You ain't missin'me at all
You wont pick up the phone and call
You don't know me
Like you used to
Tell me what is going on
You got me standing here alone
You don't know me
Like you used to
Remember what you said
When you stepped up on the scene
You got into my head
Had me stressin like a feen
No i just cant forget
How you put that thing on me
I wish we never met
This way I wouldn't be lonely(CHORUS)
you don't know me
know me like you used to
you dont know me(CHORUS)
